

## 32mm Button Badge

### artwork guideline

**Artwork in 100% size**

The dotted purple line (32mm) is a non printing guide. It depicts the wrap around edge of the badge.

No item that must be visible can go beyond this point.

Please make a 3mm vertical line on the top & centre of your circles. The line will determine the centre of your badges during the process of making them.

Supply final artwork in PDF format with all text outlined
