58mm Button Badge

artwork guideline

Artwork in 100% size

The dotted purple line (58mm) is a non printing guide. It depicts the wrap around edge of the badge. No item that must be visible can go beyond this point.

Please make a 3mm vertical line on the top & centre of your circles. The line will determine the centre of your badges during the process of making them.

Supply final artwork in PDF format with all text outlined
